

Dubai Helicopter – 30 Min

Points forts

- Not provided

Description

This 30-minute private helicopter tour is designed for guests who want to see the vast areas of Dubai in a single flight, offering a comprehensive and balanced route. Stretching from the coastline surrounded by modern buildings to the historical points in the city's interior, this itinerary is a strong alternative for those who want to explore Dubai from the sky. The flight covers everything from the green layout of Emirates Hills to the Jumeirah Lakes towers, from Burj Khalifa to the historical twists of Dubai Creek, providing a satisfying experience for both first-time helicopter riders and those looking to see Dubai in depth. Main structures you will see from above during the tour: Emirates Hills Jumeirah Lakes Bluewaters Island Ain Dubai (Dubai Eye) Burj Al Arab The Palm Jumeirah Atlantis The Palm Hotel The World Islands Burj Khalifa Dubai Creek Heritage Towers (Old Dubai) Dubai Frame
