

Dubai Helicopter – 22 Min

Highlights

- Not provided

Description

The Vision Tour, lasting 22 minutes, is one of the most comprehensive helicopter routes for those wanting to explore both the modern face and traditional texture of Dubai from the air. With this extensive route, you will witness different facets of Dubai in a single flight, from the skyline filled with skyscrapers to historic districts. During the flight, you will see iconic structures such as The Palm Jumeirah, Atlantis The Palm, Burj Al Arab, and Burj Khalifa, as well as Dubai Creek, traditional wind towers, and the historic Bur Dubai area. This tour, conducted with modern and fully-equipped helicopters, is designed for those who want to not only see Dubai but also feel it.

Included

- 22-minute helicopter flight
- Pre-flight safety briefing
- Live route narration inside the helicopter
- 22 dakikalık helikopter uçuşu
- Uçuş öncesi güvenlik brifingi
- Helikopter içinde canlı rota anlatımı
