

Dubai 17-Minute Helicopter Tour

Points forts

- Enjoy extended aerial views of Dubai including Palm Jumeirah, Burj Al Arab, and Burj Khalifa
- Fly over The World Islands and Dubai's coastline with a wider, more complete city perspective
- Experience a longer helicopter journey covering both historic and modern parts of Dubai

Description

This 17-minute helicopter tour offers a more immersive way to explore Dubai from above, combining the city's most iconic landmarks with a broader view of its coastline and historic districts. It's an ideal option for travelers who want more than a quick overview and prefer a more complete aerial experience.

The route begins over The Palm Jumeirah and Atlantis Hotel, followed by a flyover of the sail-shaped Burj Al Arab and the striking The World Islands. Continuing along Dubai's famous beach coastline, the tour then reaches the impressive Burj Khalifa, the centerpiece of the city skyline. The experience also includes views of Port Rashid, adding a glimpse of Dubai's maritime heritage to this well-balanced flight path.
