Highlights

- 30-minute per-person jet pack water-flight session with instructor guidance.
- Adventure-focused setup with daily starts from 10:00 to 16:00.
- Premium booking flow with three payment modes and clear 24-hour policy terms.

Description

Jet Pack Dubai is a premium individual water-flight activity where participants are lifted above sea level using controlled hydro propulsion. With live instructor supervision and guided communication, guests learn balance, ascent control, and directional movement in a focused training-to-flight workflow.

This 30-minute format is designed for travelers who want a longer progression compared to short-entry water activities. After safety preparation, the session transitions into practical flight control with gradual confidence building. The experience is suitable for guests who prioritize technique, sensation of height, and a distinct marine-adventure profile in Dubai.

The product runs daily at fixed hourly departures from 10:00 to 16:00 and is configured as a no-pickup listing with meeting in Jumeirah. Pricing is per person, and checkout flexibility includes full online payment, 50% deposit mode, and pay-later reservation flow. Cancellation terms remain traveler-friendly with a 24-hour free cancellation window.
